

COMMUNITY ORGANIZER

(posted May 28, 2015)

Outgoing? Detail-oriented? Passion for people? Committed to making a difference?

Description

Ground-floor opportunity to make a difference and create connections; identify, establish contact and develop relationships with local groups; attend targeted community events and public hearings, etc.; work with unique nonprofit initiative to expand quality early childhood education in NJ

Skills

Strong communicator and effective listener; prior campaign or grassroots experience a plus but not required – volunteer experience in one or both is good and appreciated; value working as part of team and providing personal opinion/insight while collaborating with others and executing according to a strategic plan; understand NJ communities and their important diversity of interests and needs; able to prioritize and establish/meet deadlines

Requirements

Must live in NJ and be able to work in NJ; college grad (recent grad is perfect); able and willing to crisscross NJ by own car (reimbursement or travel stipend negotiable); 1099 position (no benefits/responsible for own self-employment taxes; set self-determined schedule and work location consistent with project needs; consulting contract for minimum of one-year); willing to commit for minimum of one year/18-months

Availability

Immediate; will select within next few weeks; be ready to start ASAP or early summer 2015
